Creating the Future of Hawai‘i’s Medical Marijuana *Economy* - One Partner at a Time
ALOHA AND WELCOME TO THE HDA

The Hawai‘i Dispensary Alliance is a not-for-profit, 501(c)(6) organization advocating for the collective interests of Hawai‘i’s legitimate cannabis industry. Our mission is to bring the industry together to promote favorable developments in Hawai‘i’s legal, social, and economic environment. We do this by providing Alliance members with unique business networking opportunities, a voice in the industry’s lobbying efforts, and proprietary industry information. We believe there is tremendous opportunity for collaboration and growth, and we would like to extend an invitation for you to join us.

We are a membership-based organization with key relationships across the industry and a track record of success. We strive for inclusiveness, transparency, and social equity in Hawai‘i’s legitimate cannabis industry and its regulations in pursuit of industry growth for each of our stakeholders. As a future member of the Alliance, you will benefit from local political representation; participate in local and national business development activities; and receive detailed, Hawai‘i-specific industry information.

These benefits are not enjoyed in isolation. Joining the Hawai‘i Dispensary Alliance means that you will represent a community of stakeholders who are committed to building a dynamic and regenerative medical marijuana economy for Hawai‘i’s future. We need leadership in this endeavor, in our industry, in our communities, and in our organization to make this future a reality. The Hawai‘i Dispensary Alliance needs your time, dedication, and fiscal participation to be a success, but the benefit to your organization will more than justify your efforts.

Join the Alliance today and solidify your role as a vital player among the host of local, mainland, and international interests looking to the Alliance to provide leadership as Hawai‘i works to build a patient-centric, business friendly environment for medicinal cannabis. Read on to learn more about the benefits of your future role as an Alliance member. We look forward to hearing from you.
